

DO YOU BANK BY MAIL?

There are many of our customers whom we rarely ever see. Some of them we never have seen.

These customers make frequent deposits, but send them by mail. They may live many, many miles from Appomattox, but Uncle Sam's postal service makes it convenient for them to bank with us.

We promptly acknowledge receipt of all deposits received by mail, and render periodical statements, thus enabling depositors to keep close check on their accounts.

If it is not convenient for you to call on us regularly, why not try banking-by-mail? You will be pleased with our service.

long waits for the Doctor in
the horse-and-buggy days

MAKE it easier to get around and
you make healthier and hap-
pier communities. No one any longer
questions the worth of the automobile
or begrudges any legitimate ex-
pense connected with it.

But millions of car owners are rebelling at
the idea that running an automobile has got to
mean waste.

Every now and then you hear a neighbor
complain that "he doesn't seem to have much
luck with tires."

Send him to us.

The minute a man begins to question the
service his tires are giving him, he's ready to
listen to reason.

Our business is built on the principle that
the only way to get better tire service is to get
better tires to start with.

That's why we have taken the representa-
tion for U. S. Tires.

U. S. Tires have a reputation for quality.

Built up through years of creating better
tires. Such as the straight side automobile tire,
the pneumatic truck tire

It is not by chance that U. S. Tires are made
of the oldest and largest rubber concern in
the world.

We are proud to represent U. S. Tires in
this community.
